**GUARANTY.** While we exercise the utmost diligence and care to have our stock true to name and hold ourselves in readiness on proper proof, to replace all trees, etc., that may prove otherwise, or refund the amount paid, it is mutually understood and agreed between the purchaser and ourselves that we shall not in any case be liable for any sum greater than the amount originally received for said trees, etc., that prove untrue.

All orders are accepted by us upon the mutual agreement between the purchaser and ourselves that we shall not be responsible for other damages.

This catalogue cancels all previous price lists. Prices net no discount.

A certificate of inspection will accompany each order.

**CLAIMS.** No claims for rejections or deficiencies will be entertained unless made within five days after arrival of goods. In no case will we assume responsibility after consignment to purchaser. When losses occur by delays or other causes of whatever nature while goods are in transit make claim **AT ONCE** on the forwarding companies.

**CAUTION.** We accept all orders upon condition that they shall be void should injury befall stock from frost, fire, hail storms or other causes over which we have no control.

**PACKING.** Packing will be done in the best possible manner, and charged for at the cost of material used. Boxes and bales delivered free of charge to all railway stations. After goods are delivered to forwarder in good condition our responsibility ceases.

**CREDIT.** We extend the usual terms of credit to regular customers and to parties known to us; otherwise we require cash in advance or satisfactory reference with sufficient time before shipment to make necessary investigation. We will not accept orders until we believe that the buyer is good for the account.

## NOTICE

All goods sold by us are sold f. o. b. point of shipment, and while in transit are at purchaser's risk. We feel it is our duty to emphasize the fact that we do not insure the safe delivery of goods and that the title of any goods sold by us and consigned to the purchaser or consignee designated by purchaser passes to the purchaser upon delivery by us to the carrier at point of shipment.

And we desire to make it clear to the trade that the railroad or Express Company's receipt relieves us of all responsibility, and any claim for damage should be made immediately to the agent at the point of delivery.
